## Young again

Youth Complex is a light weight, yet concentrated anti-ageing treatment lotion that addresses ageing with clinical precision, while providing lasting hydration and healing protection. Intended for day or night-time use; apply to clean skin, smoothing over face, neck and décolleté. It can also be used as an area treatment for problem areas or all over for increased benefits. The 30ml product retails for R1 745. For more information contact Evolution Cosmetic on (011) 442 5682.
